THE IMAGE OF HIS SON - ROMANS 8:29

This is the first in a series of Bible studies which you can do by correspondence in the privacy of your own home. The Bible is the most widely published book in the world and yet it is one of the least read. The average reader (200 wpm) could read the whole Bible in 64 hours, but still, many Bibles sit unused on a shelf or in a drawer.

These Bible studies are designed to open the Scriptures for the reader. We hope to make the message of the Bible more clear, therefore encouraging more Bible reading. These studies may be used by an individual or by a family.

If you are new at Bible reading you will find a table of contents in the front of your Bible to help you find the different books. The verses for answering the questions in this Bible study are from the King James Version. The text has been emphasized by underlining key words for this study.
