ASK YOUR BISHOP

God puts great premium upon faith; but He doesn't want us to be gullible. The Bible called people "noble" who readily accepted Paul's preaching, but were cautious enough to "search the scriptures . . . whether those things were so" (Acts 17:11). Sincerity is not enough! One also has an obligation to be right! Have you ever carefully compared your beliefs with the teachings of the Bible?

The following 100 questions have been prepared for sincere and thoughtful people to ask about Mormonism.

1. If the principle of "Progression" is unalterable, why has the principle broken down two out of three times right within the Trinity?
(See next two questions).
2. If Gods are individuals who have passed through mortality and have progressed to Godhood, how has one person of the Trinity (the Holy Spirit) attained Godhood without getting a body? (See Acts 5:3,4)
3. If Gods are individuals who have passed through an earth life to attain Godhood, how is it that one person of the Trinity (Jesus Christ) was God before He received a body or passed through earth life?
(Matt. 1:23 and Hebr. 10:5)
4. If the Book of Mormon really con-
